Dear Brothers and Sisters,

Happy New Year! Enclosed are two checks from Safeway and Tenneco, dividend checks that I hope you will use in ricketing them. Also enclosed is a receipt for a money order for \$1000 for the Agbayani Village. I'm sending the check to Delano. My grandfather, who is 94, gave the money to me for Christmas, and as I don't need it, I thought it appropriate to give it to the Village.

Greetings to all who continue the struggle. I feel bad hiding out this year, but am studying Arabic and hope to be of assistance to the Union when I return. My probation ends in May.

Viva la Causa...
Happy New Year to all...
